Illinois Council for Exceptional Children 61st Annual Fall Convention

Dear Colleague,

The Illinois Council for Exceptional Children is proud to host its 61st Annual Convention at the Wyndham Lisle-Chicago Hotel on November 4-6, 2010. It will begin with a pre-conference workshop on Thursday, November 4th and sessions from a variety of presenters will take place on Friday, November 6th followed by subdivision meetings and student events on Saturday, November 6th. This year's theme will be ***Working Smarter, Not Harder***. As the roles of special education professionals change and evolve, it is the goal of ICEC to continue to provide timely information and resources that ensure an appropriate education for all students. In an effort to address current trends and issues, the following topics have been identified as those for which presentations are being sought:

- Strategies and Practices that Work (e.g. Proven Interventions, Specific Approaches, etc.)
- Meeting the Mandates (Laws, Restructuring Efforts, AYP, ISBE/Federal Initiatives, etc.)
- Behavioral Interventions/Positive Behavior Supports/Classroom Management
- Autism Spectrum Disorders/Low Incidence Disabilities/Assistive Technology
- Cultural Diversity/English Language Learners

Please consider sharing your knowledge and expertise with educators, related service professionals, parents, students, and administrators from across Illinois by submitting a proposal. Programs may be in the form of a workshop, panel, lecture/discussion, or demonstration and presenters may request a single or double session.

Please use the attached form to submit your presentation proposal(s). Also, feel free to duplicate this form to share it with other colleagues who may be interested. Affiliate organizations/subdivisions and exhibitors desiring to host a session must also complete the proposal form. ***The Call for Presentation form including the Program Abstract, Speaker Bio(s), and Technology Information is due NO LATER THAN June 16, 2010.***

All proposals will be rated on alignment of the proposal topic to conference strands identified above, the depth and general quality of proposal, and the demonstrated experience/topical knowledge of presenter(s). Notice of acceptance will be sent in July via email. If you have any questions, please contact one of the convention co-chairpersons. Call Joyce Meyer at (847) 623-1807 or e-mail at jmeyer@wps60.org or Missy Jones at (217) 259-5397 or e-mail at mljones2@eiu.edu.

Sincerely,
Betsy Murphy, ICEC President
Beth Bobel, ICEC President Elect
