Conference Sessions  
Will include

Internet Predators

A local FBI agent will demonstrate how easily someone can target our students on the internet. You won't want to miss this one!!

Co-Teaching-Making it Work

Jessica Pyatt, a Carbonale veteran teacher, will give us practical tips and how to get started on the co-teaching model.

RTI-Cracker Barrel Sessions

Leigh Ann Richelman, Tri-Co, will answer your questions. Come share your successes and problems. Practical tips and good laughs given.

Autism Spectrum Panel

Zeppelyn Brewer, Tri-Co, Speech Therapist  
Melanie Hamilton, Tri-Co, CD Teacher  
Jenny Martin, SIU Autism Center

This panel will discuss the importance of collaboration between services to create a workable program for all classes.

Conference Sessions  
Will include

Using Those Probes

Kelly Glassett, SIUC, will show you how to take the basal reader and use probes to gain student information. A CD of probes will be provided. Error Correction and comprehension will be addressed.

Wrap Them up to Writing-

Therese Hogan, our Keynote Speaker, will present another entertaining session on engaging even the most difficult writers.

File Folder Games- Make it and Take it  
(2 Sessions)

Jodi DeJarnett, WCSSED, will reprise her highly sought after make and take session. Bring back something to use on Monday.

Transition Speakers

Representatives from various agencies will be available to answer your questions about planning for students' after high school transition. Agencies include: Dept. of Human Services, SIU, JAL, Local Workshops, Transitional Living
