

Lake County CEC Chapter 336 is a local chapter of the Illinois Council for Exceptional Children (ICEC) and an affiliate of the Council for Exceptional Children (CEC).

The membership is comprised of individuals interested in, and supportive of opportunities and equality for individuals with disabilities.

Membership is unified at the three levels.

Chapter 336 (Lake County) is one of the oldest and largest CEC chapters in Illinois. It is an active chapter as evidenced by this program brochure. A highlight of the year is the annual ECW 'Yes I Can' and 'Best I Can Be' Awards Brunch, where individuals with disabilities are recognized for significant achievements, and where individuals are presented the Milt Brown Volunteer Award for services to special education.
